in imagination meditation and cognition in the middle ages michelle karnes revises the history of medieval imagination with a detailed analysis of its role in the period s meditations and theories of cognition karnes here understands imagination in its technical philosophical sense taking her cue from bonaventure the thirteenth century scholastic theologian and philosopher who provided the first sustained account of how the philosophical imagination could be transformed into a devotional one karnes examines bonaventure s meditational works the meditationes vitae christi the stimulus amoris piers plowman and nicholas love s myrrou among others and argues that the cognitive importance that imagination enjoyed in scholastic philosophy informed its importance in medieval meditations on the life of christ emphasizing the cognitive significance of both imagination and the meditations that relied on it she revises a long standing association of imagination with the middle ages in her account imagination was not simply an object of suspicion but also a crucial intellectual spiritual and literary resource that exercised considerable authority

william langland s poem piers plowman is one of the most popular and widely studied middle

english works this comprehensive readable guide leads the student chronologically through the entire text and is designed to be read alongside it assuming no previous knowledge readers are introduced to characters plot and argument in way that enables them to enjoy and analyse the text for themselves a guidebook to piers plowman clarifies and explores langland s thinking contextualises the religious political and social issues he raises details the genres and sources the poet uses employs up to date bibliographical knowledge to offer alternative critical interpretations and suggest ways of relating these to the poet s key concerns explains langland s historical theological and psychological assumptions in helpful inserted text boxes features illustrations and suggestions for further reading concise and approachable this is an invaluable tool to help students appreciate the originality and modernity of langland s poetry

volume 1 35 works volume 36 37 letters volume 38 provides an extensive bibliography of ruskin s writings and a catalogue of his drawings with corrections to earlier volumes in george allen s library edition of the works of john ruskin volume 39 general index

this book does precisely what its title indicates it discusses and makes as clear as possible what in the authors view the church is what are its limits what should be its doctrine what is the status of its ministry and the nature of its sacraments and how in the present state of disunion confusion and uncertainty we can conceive that the church of jesus christ exists in other words it offers a theology of the church it is addressed primarily to anglicans who have every reason to be confused and uncertain the fact that we live in a period when ecumenical co operation and dialogue are being practised as never before in the history of christianity makes the need for clarity here all the more important however it does not deal with the many ethical social political and even economic issues and choices which face the church nor is it a blueprint for the future many problems are caused by lack of adequate theological reflection this book provides primarily that and by focussing on what is called ecclesiology it will provide clergy and laity alike with a basis on which plans can be made for the future
