faith is one of the most critical aspects of the christian life because it is the means by which we receive all that god has secured for us yet the nature of faith is one of the most misunderstood concepts of christianity some conceptualize faith as some mental state that one must reach before they are able to tap into god s resources others view faith as some sort of incorporeal substance that is out there for which we must reach all of these concepts of faith are deficient if not heretical and yet all of them are found in the church others view faith as a mere fantasy or hope with no basis in reality and thus religious claims are excluded from the arena of knowledge for a number of years my heart has been trilled over the doctrine of faith as it is received and taught among evangelical christians everywhere great emphasis is laid upon faith in orthodox

circles and that is good but still i am troubled specifically my fear is that the modern conception of faith is not the biblical one that when the teachers of our day use the word they do no mean what bible meant when they used it i also share the same concerns with a w tozer when he said the cause of my uneasiness are these 1 the lack of spiritual fruits in the lives of so many who claim to have faith 2 the rarity of a radical change in the conduct and general outlook of persons professing their new faith in christ as their personal savior 3 the failure of our teachers to define or even describe the thing to which the word faith is supposed to refer 4 the heartbreaking failure of multitudes of seekers is they are even so earnest to make anything out of the doctrine or to receive any satisfying experience through it 5 the real danger that a doctrine that is parroted so widely and received so uncritically by so many is false as understood by them 6 i have seen faith put forward as an escape from reality a refuge from the necessity of hard thinking a hiding place for weak character natural optimism emotional thrills and nervous tics therefore in the pages of this book i will endeavor to outline for your benefit the dynamics of faith what is faith how does faith works how to grow in faith the power of faith the excellency of faith the demand of faith the perseverance of faith the challenges of faith the object of faith the effect of faith the response of faith the discipline of faith the necessity of faith and many more are discussed

the christian church has no shortage of revered figures and saints but it is difficult to find one that had a more decisive impact on the course of the church s history than augustine of hippo augustine was a bishop of hippo regius in africa but his works sermons and writings helped hold the church together even as the western roman empire was in its death throes to the extent that every major branch of christianity recognizes him today the catholic church has venerated him as a saint and a doctor of the church orthodox christians also consider him a saint and protestants and calvinists cite him as one of the fathers and inspirations of the protestant reformation in many respects augustine has provided the theological bedrock for christians for nearly 1600 years and as theologian john leith noted in 1990 augustine the north african of berber descent is today the spiritual father of multitudes who are remote indeed from him racially politically and culturally of faith and the creed in its original form was a discourse which augustine when only a presbyter was requested to deliver in public by the bishops assembled at the council of hippo regius and that it was subsequently issued as a book at the desire of friends the general assembly of the north african church which was thus convened at what is now bona in the modern territory of algiers took place in the year 393 a d and was otherwise one of some historical importance on account of the determined protest which it emitted against the position elsewhere allowed to patriarchs in the church and against the admittance of any more authoritative or magisterial title to the highest ecclesiastical official than that of simply bishop of the first church primæ sedis episcopus the work constitutes an exposition of the several clauses of the so called apostles creed the questions concerning the mutual relations of the three persons in the godhead are handled with greatest fullness in connection with which especially in the use made of the analogies of being knowledge and love and in the cautions thrown in against certain applications of these and other illustrations taken from things of human experience we come across sentiments which are also repeated in the city of god the books on the trinity and others of his doctrinal writings

the story of faith hope and love is a book about discovering god s nature character love justice forgiveness and truth the bible answers these questions and offers people hope for eternal life this book answers important questions that inquiring minds might wonder about for example where did people come from what is the purpose of their existance what happens to them when they die does their spirit live forever what happens to the spirit of people when the body dies this book gives an answer to all these questions and offers people hope for eternal life if this book is read without prejudice it will have the intended effect of producing faith in god faith will lead to a desire to obey god and except jesus christ as the son of god which can lead to eternal life the story of faith hope and love would be a great help to anyone in the missionary field as well as being an aid for bible school teachers or anyone wanting to know more about the teachings of the bible and their own personal salvation

the book 31 days of faith is part of a series of verse by verse bible studies produced by the 501 c 3 nonprofit corporation books for ministry and written by bruce hitchcock the goal of books for ministry is to provide quality bible study materials as part of a structured planned spiritual growth program god has commanded that we grow in him the apostle peter echoes this command in 2 peter 3 18 but grow in the grace and knowledge of our lord and savior jesus christ to him be the glory both now and to the day of eternity amen this verse is substantiated by the words of the author of hebrews in chapter 6 verse 1 which states therefore leaving the elementary teaching about the christ let us press on to maturity discipleship is the process by which we obey this command jesus commanded in matthew 28 18 20 to make disciples of all of the nations he added the structure and material for that command by saying teaching them to obey everything i have commanded you

in this timeless and soul searching treatise faith and repentance by francis fuller the elder 1637 1701 readers are confronted with the essential terms of the gospel covenant faith in jesus christ and true evangelical repentance with clarity rooted in scripture and a pastoral heart sharpened by experience fuller unfolds the nature necessity and operation of these graces as the foundation of salvation repent ye therefore and be converted that your sins may be blotted out acts 3 19 believe on the lord jesus christ and thou shalt be saved acts 16 31 fuller warns against presumption and superficial religion exposing the folly of those who rest in a mere profession without the inward transformation required by the gospel with warm exhortation theological precision and unflinching honesty he calls the reader to a living faith a faith that forsakes self reliance and casts the whole soul upon christ alone the work is divided into three distinct parts i a treatise of faith detailing the nature of saving faith its object the difference between dead faith and living faith and the soul s full reliance on the righteousness of christ alone ii a treatise of repentance unfolding the true marks of repentance unto life not as a work of the flesh but as a gift of god s spirit producing godly sorrow hatred of sin and a sincere turning unto god iii a discourse on self denial an appendix to the treatise of faith laying the axe to the root of self love and self righteousness and revealing the utter need to abandon all confidence in the flesh for a full cleaving to christ first penned in the furnace of post restoration nonconformity this work remains as urgently needed now as it was then it is no small matter to examine ourselves whether we be in the faith and in

fuller s pages we are led to do so under the light of god s word
